

## **La Mirada Regional Aquatic Center makes a Splash!**

Splash! at La Mirada Regional Aquatic Center in Los Angeles, California features an exciting Caribbean pirate adventure from Whitewater West Industries creating family fun and fitness for participants of all ages! The community recently celebrated the aquatic center's Grand Opening of 18-acres on the western edge of La Mirada Regional Park. This new attraction showcases a design of blended elements from the area's rich Spanish heritage. The acclaimed "Buccaneer Bay" family fun portion of Splash! includes an AquaPlay marooned ship multi-level play structure with 17 interactive play features! Or why not try the three SilkTek™ waterslides which showcase Whitewater's latest innovation in waterslide technology, providing a superior appearance and delivers the ultimate ride experience through smooth joints and consistent thickness.
