

44 CAMPGROUNDS AND RV RESORTS MAKE THE "A" GRADE IN GUESTRATED.COM'S
4TH ANNUAL
CONSUMER SATISFACTION SURVEY

More than 30,000 consumers submitted online reviews of campgrounds, RV parks and resorts across the United States

DENVER, Colo., Dec. 5, 2011 - Four-four campgrounds, RV parks and resorts earned all around "A" grades in the fourth annual consumer satisfaction survey of campgrounds, RV parks and resorts.

The top parks were announced Friday during the National Association of RV Parks and Campgrounds' annual Outdoor Hospitality Conference & Expo, which took place at the Westin Savannah Harbor Resort & Spa and Savannah International Trade and Convention Center.

More than 30,000 camping and RV enthusiasts participated in the online survey, which evaluated guest experiences at campgrounds, RV parks and resorts that are affiliated with the National Association of RV Parks and Campgrounds.

"Consistently earning an overall 'A' grade from guests is difficult, and our 44 winners this year represent less than 2 percent of all of the nation's campgrounds. But what is even more impressive is that 12 of this year's winners have also received this award four years in a row," said Bob MacKinnon, president and CEO of GuestRated.com, the Murrieta, Calif.-based company that conducted the online survey.

"Consumers should take the time to check out the ratings that are posted for each campground on GoCampingAmerica.com because that's the quickest way to tell which parks are best meeting - and exceeding - guest expectations," said Paul Bambei, president and CEO of the National Association of RV Parks and Campgrounds.
